Parking Services: Validation Programs

Star Park

VALIDATION PROGRAMS > Star Park

Star Park allows businesses to validate their customer's parking for between one and eight hours and receive a 50% discount off the first hour of parking. Each additional hour is charged at the regular rate. The cost for a business to establish this validation program is $ 60.00. Merchants are invoiced for the total dollar amount of all redeemed tickets bearing their stamp, less a 50% discount on the first hour of parking on each ticket. Star Park stamps are valid at all city owned garages during regular business hours.
